

2027 PARENT GUIDE

YOUTH MAJORETTE DANCE TEAM • AGES 6-9 • COLUMBIA, MISSOURI

MADE OF SPARK. BUILT WITH FIRE.

Everything prospective Starfire families need to know before enrollment.

WELCOME TO STARFIRE

Starfire Dollz is an independent youth majorette dance team created for girls ages 6-9 who have a love for dance, performance, and being part of a team.

But Starfire is about **more than dance**. We are creating an environment where young girls can develop confidence, learn discipline and responsibility, build genuine friendships, and understand what it means to be part of a team - all while learning and performing majorette dance.

DANCE • DISCIPLINE • CONFIDENCE • SISTERHOOD • GROWTH

We don't just teach girls how to dance. We teach them how to show up for themselves and for each other.

Our dancers are young and still learning. Starfire is designed to challenge them while also giving them room to be encouraged, supported, and allowed to grow.

THE 2027 SEASON

Our inaugural season is intentionally structured as a six-month experience so families can enjoy a meaningful dance season without carrying team obligations into the fall and holiday months.

Season	March-August 2027
First Practice	Monday, March 1, 2027
Practice Days	Mondays & Wednesdays
Practice Time	5:15-7:15 PM
Location	Columbia, Missouri

Exact practice-location information will be provided to enrolled families.

Throughout the season, dancers may participate in selected parades, community performances, team activities, special opportunities, and our Back-to-School Dance Showcase.

Our season will conclude with a special Starfire Dollz end-of-season celebration. Confirmed event dates and details will be shared with enrolled families as they become available.

THE STARFIRE EXPERIENCE

Your dancer won't simply learn routines. Throughout the season, Starfire dancers will build technique, performance confidence, and team habits that support their growth both on and off the floor.

WHAT DANCERS WILL WORK ON

- Majorette fundamentals
- Choreography and formations
- Performance skills
- Age-appropriate conditioning
- Stretching and flexibility
- Teamwork and listening
- Confidence and discipline

MORE THAN A PERFORMANCE TEAM

We want every dancer to understand that progress matters more than perfection. Girls will enter the season with different strengths and experience levels. We are looking for effort, willingness to learn, consistency, and a positive attitude.

We dance together. We grow together. We become sisters.

WHAT WE EXPECT FROM OUR FAMILIES

Starfire works best when dancers, coaches, and families work together. Before enrolling, families should be prepared to:

- Make regular practice attendance a priority.
- Communicate absences and known schedule conflicts.
- Arrive on time for practices and performances.
- Review team communication regularly.
- Meet payment, sizing, and ordering deadlines.
- Support positive relationships between dancers.
- Allow coaches to make choreography, formation, and performance decisions.
- Help dancers arrive prepared and performance-ready.

Our complete team policies are provided in the **2027 Parent & Dancer Handbook** during enrollment.

TEAM COMMUNICATION

Once your dancer is officially enrolled, your family will receive access to our private Starfire Dollz **BAND** group. BAND will be our primary home for practice updates, schedules, performance details, reminders, announcements, and payment requests.

The private BAND invitation is provided only after enrollment. Payment requests will be available through BAND and securely processed through Stripe once payment setup is active.
